2008: Your Year for Exciting Life Changes! By Liberty

In one year, do you want to be in exactly the same situations and circumstances you are in right now? I know I don't. **I really, really don't!**

I took an emergency trip to the hospital cardiac unit two weeks ago. While being x-rayed for possible pneumonia, I was diagnosed as having an enlarged heart and told I was in congestive heart failure and popped right into the hospital. Now I am not recuperating as fast as I want. Work on my LDT manuals, my other projects, and my upcoming webcasts is going much slower than I anticipated. My projects aren't happening fast enough; hmmm?

With too many blood tests, dietary restrictions, too many prescriptions (I hate taking pills), increased doctor's appointments, and major life changes, I have found myself struggling to find my joy and expectation again.

Then God spoke through three people a few mornings back by way of e-mail. SPAM, junk mail, pretty pictures, puppies, and kittens that come through our e-mail programs all put aside, there are times when God uses e-mail powerfully (especially when I am not listening other ways).

First I received an e-mail from the very well-written website of Harold Smith

<http://hethathasaneer.com>. I read his article, Hearing the Voice of God (excellent!) The next email came from friends in Australia, Alan and Maree, who said, "Liberty, we think God is definitely trying to get your attention! Big time!!"

This was followed by an encouraging prophetic word from Chuck Pierce. I want to include just a portion here (you can read the rest at http://www.glory-of-zion.org/outmail/3-6-08_WeeklyEmailerOnline.htm): "Do not just look at your circumstances – do not lean on your own understanding! Keep your mind stayed upon Me. Do not allow your abilities to be your trust. I will create a strong people that will rule in every sphere of authority. Spheres of authority will be rearranged in these next 40 days. The power of My words in your mouth will cause a breakthrough. Don't miss your window of opportunity or fail to recognize the catalyst I am creating for rearranged momentum. Receive an anointing to leap over the mountain that has been deceiving and intimidating you.

"Don't be afraid of your storm this week for I will reorder your way and will cause your times to be changed. I'll set you ahead of that which would overtake you and cause you to be overwhelmed. So don't fear the storm. Watch the rain and wind work to your benefit!

"Hear the keys shaking, for I am rattling the gates of hell. Decree the blockade that wouldn't open up and let you move forward, even in your emotions, is being unlocked and that you are now able to move forward."

On 3/12, I read this very moving word of prophecy on Chuck Pierce's site: "Many have cried out: 'Lord, I long for the new, I long to go through. However, I don't have the strength to advance because the season has pulled the plug on my strength and I feel I cannot stand and advance.' But hear Me! I will energize your blood and cause my Spirit to touch and go into places in your heart that have not been touched.

"I will cause the joints in your body to begin to have new energy and cause them to move in ways they have not moved. Do not despair because by My Spirit, new energy

will come upon you. The warfare that you've been contending in, the conflict that you've been standing in, will not overtake you. Stand still! In the midst of your stillness I am beginning to release new mantles; you will stand face to face with Me and then your enemy will see My reflection in your face. I AM rising up within you a sound that will come through you and cause the enemy to shake. Where the enemy has held your gate closed, the gate will come open. You will say a new day has broken."

This has excited every area of my spirit and my soul, and I like to think my body is excited, too!

I want the gates I have praying against to open! I have felt that 2008 is a year for this to happen. Change is coming! In God's numbers, eight signifies new beginnings. 2008 is a year for new beginnings, but new beginnings rarely come without change.

As usual, I have to live and walk out whatever my current teaching focus is based upon: change. My upcoming International Webcast (changed to May 10 due to slower recuperation than I expected) will address cooperating with godly change in order to move into perfect step with God's plans for 2008.

Not everyone is thrilled with the idea of change, I know. Many believe that the familiar things of your life, even if they are icky, are better than the unknown. But unless you begin to change how you think, how you make decisions, and how you react to your circumstances, you will find yourself going through the same futile motions you have been going through for years.

There is a way to pray with the Keys of the Kingdom that is the most effective form of praying I have ever known. I've been praying with these Keys for the past 20 years and I have seen incredible changes come into my life. In Matthew 16:19 (NIV), Jesus said:

"I will give you the keys of the kingdom of heaven; whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven."

These are supernatural Keys that allow you to cause things on earth to come into alignment with God's already-established will in heaven. When that kind of human/divine agreement happens, God's will is manifested right where you are! AND, the more you know about these Keys, the more effective your prayers will be.

The results of praying the binding and loosing prayers are pretty straightforward. They allow the Holy Spirit to work through you because you are choosing to stabilize and

steady yourself while making room in your soul for Him to do His best work in your life. You are choosing to say to God, "I want to get rid of all of my soul's old junk. I want to change and become more like Jesus." Then you pray with the Keys of binding and loosing and you find yourself empowered to cooperate with His help.

This will also help you change the way you have always viewed the hard things in your life. Do you know that trying to understand why hard things have happened to you has nothing to do with getting free from their effects and influences in order to embrace your future in 2008?

ASKING WHY always points to your past! **"WHAT NOW, LORD?"** points to your future. I love how Peterson translates John 9:1-3 in *The Message*:

"Walking down the street, Jesus saw a man blind from birth. His disciples asked, 'Rabbi, who sinned: this man or his parents, causing him to be born blind?' Jesus said, 'You're asking the wrong question. You're looking for someone to blame. There is no such cause-effect here. Look instead for what God can do (NOW!).'"

Those words are not appealing to your unsundered soul at all! Even now, your Soul Central is gearing up to rumble against the binding and loosing prayers if you choose to increase your understanding of them. Your soul has worked a long time to establish some semblance of "Not to worry, I have everything under control!" in your life, and it hates outside interference in the games it runs on you. Your soul can react very badly when there is such interference. But with these prayers, you can begin to set things right with God plans and purposes for your life.

One of the most exciting things the binding and loosing prayers will do as you pray them is they will stop your soul from resisting God's supernatural help in so many different areas of your life. This is why a deeper understanding of the principles of the Keys of the Kingdom is so important. Here are a few items that will be covered in the Webcast on May 10th:

Are you fearful that you won't have enough money when you need it? All through the Word, God says fear not. That is a direct commandment. Whether or not you will give in to fear is a choice. God is obviously saying you have a choice to make.

A missionary to Africa recently said that while there is growing spiritual awareness in Africa, it is marked by people seeking "to solve their life's problems and needs using Christ as a means to achieving their own goals. His wife also said something very profound, "We have fallen into the trap of trying to match our own culture of

comfort and self. This means that we are only seeking to feel righteous as we can keep what we have, preserve the security we enjoy, and cling to the comfort we long for, all at the expense of lost souls and a sick church.”

How have we come to the point where we decided that God is our answer dispenser and not our friend and the Master Planner of our future? We have heard wrong teachings, and we have allowed our souls to mingle worldly thoughts with whatever truth we decide we will accept from the Bible.

I would like to just share two points of cooperation that require understanding, not just more prayer. Two major points of misunderstanding that many struggle with are money and fear.

Know this: Money means nothing to God!

However, He is very interested in what money means to you. God has never needed a monetary economy to run His world. He created money to reveal human priorities, weaknesses, and levels of faith that could not be revealed to each one of us in any better manner. What can make you fall apart, worry and stress, question whether God cares, and cause your faith to waver? Money.

You cannot effectively bind yourself to inappropriate things such as money, success, a specific job, a specific marriage partner, patience, or love.

BUT, binding and loosing prayers help you to change the way you think about and react to lack of money, lack of success, no marriage partner, no patience, your inability to feel loved, and more. How we think and how we react to our perceived situations is vital to our understanding.

The binding and loosing prayers will give you supernatural help to make room within yourself to receive God’s best. You can loose all old patterns of thinking, all stronghold thinking, and the effects and influences of wrong agreement that have given your soul the “right” to hold onto negative things you need to release.

God’s promises and His great love are all around you just like the air you are breathing right now. His promises are manifested to you best when you make room within your soul to receive them, just as oxygen is manifested to you best when you make room within your lungs to receive it. **2008: Your Year for Exciting Life Changes** on May 10th will help you determine what to bind and loose to make your prayers more effective and productive.

It is also inappropriate and ineffective to bind yourself to things that are gifts from God. His gifts are given when

you begin to make right choices and/or you experience a time of learning His ways. You do not bind yourself to things that will be yours by making right decisions.

You do not bind yourself to things that will be yours as a result of experience. You learn how to change your decision-making methods and how to enjoy and learn from experiencing God’s ways.

Divine healing is a gift from God that can require a change in your soul’s habits and in your physical habits.

It is useless to bind yourself to health when you are not willing to listen to God and cooperate with Him to change certain things in your life.

If you seek God and His will, asking Him to show you how and where you can best cooperate with Him, He will speak to you. Regardless of all our authority and our knowledge of the Word and our declarations of the Scriptures (which are all good!), there are certain things we often don’t want to give up that must be given up. These binding and loosing prayers will never take the place of personal accountability to do what you need to do, but they will definitely help you do it.

Join us on May 10th and learn more about how to change your life for the better in 2008!

Scripture for the Month

Paul said this (in part) in 2 Corinthians 6:11-12. Make a promise to yourself to learn how to live this Scripture this month:

“I long for you to enter this wide-open, spacious life... The smallness you feel comes from within

you. Your lives aren't small, but you're living them in a small way" (The Message).

No more living in a small way; rather, let's live 2008 in a big way! Let's live it in the wide open, full spaces that God has prepared for us to walk through.

Liberty Savard LIVE Radio – Wednesdays 2:30 PST

What a time we've had with these internet radio shows! When everything has worked, they have been great! We've been working with the BlogTalkRadio techs to find out why we've had so many problems, and hopefully next Wednesday, March 12th, will be in the groove! Our past problems were probably connected with me trying to host the program on Skype. Hang in with us, PLEASE!

Next week's show, 3/12, will be pre-recorded as I will be flying back to Florida to hold a conference. That was a blessing to find out that I don't have to miss the show as I really enjoy being able to reach out to others this way. I just heard nice things from a lady in Germany that she was downloading the archived shows by going to our website and clicking on the radio icon.

While we have not yet built a large daytime audience, we are excited that we have several hundred downloads of the archived shows that we have already broadcast. Please know that you can listen to the show on BlogTalkRadio, you can download it later to keep as an mp3 file, or you can "send" it later to someone else.

8 KEYS TO ANSWERED PRAYER

I have chosen to take the eight weeks between now and the **2008: Your Year for Exciting Life Changes** Webcast of 5/10 and send out little snapshots on how to get your prayers answered. The first Key has gone out and responses have been very good. Here are a few comments that have come right back:

- My sister sent this to me this morning: 8 Keys to Answered Prayer. How can I sign up to receive these teachings? Shirley
- I received this e-mail at the right time. We buried my husband, my three grown children's Dad, today. I really needed these Eight steps. God has used your wisdom of His Word to change my whole family. DG
- Thanks for sending the Keys to Answered Prayer. This is just what I need at the moment. Len
- Thank you, I needed that this morning. Stephanie
- Thank you! What a timely message for our Church! LC

- This first Key is excellent! Shell
- Wonderful! Thank you! JJ
- Thanks, Liberty! Your teaching on binding and loosing has radically changed ME and my life in the past 6 months. Suzan
- This is great, Liberty. Looking forward to others. NZ
- The first key is a powerful reminder of something that I'm not saying directly right now in my prayers and I realize I could be in better alignment. So I'm taking that to heart. Thank you for the sample prayer. I'll definitely use it for guidance. Cat
- Thank you, Liberty, for the email on the 8 Keys to Answered Prayer. This is such a blessing and the timing is perfect as well as I have been diligently seeking God for specific answers. CD

Future Keys to Answered Prayer will address finances, health, fear, peace, and other vital points we all need to understand more about. I will be sending you these Keys each week for seven more weeks. You can also find the ones you missed listed on our website: www.libertysavard.com

TESTIMONIES

Liberty: Pastor Randy Vickers from England (who is using your Long Distance Training to train the people in his healing center) just spent several days with us here in Texas. He told me about your teachings on the second day he was here. By the time he left, I had completed *Shattering Strongholds* and immediately began praying the binding and loosing prayers for myself, my wife, and our two daughters.

I also began praying those prayers over the people in my congregation at the beginning of each service.

I can't thank you enough for being obedient to God and faithful to the vocation He has given you. In your writings, I finally have encountered an explanation of sanctification and spiritual warfare that makes sense to me. I have ordered *Breaking the Power* and *Producing the Promise* from your order page. After reading those, I intend to undertake the Long Distance Training Program along with other members of the parish. Dr. H.P. Texas

(From a gentleman in UK who has been writing for several weeks regarding severe discouragement and depression) Liberty, I believe some glimmerings of light might finally be penetrating. I read a book some time ago, *The Intercessor*, by Reese Howells. He said that the

Holy Spirit said to him, *“I will come in, but you will have to move out. I will give you 24 hours to decide on this matter.”*

I thought this seemed more like possession or complete domination. This must have lodged in my memory and given me a resistance to the Holy Spirit, making me think He wanted to destroy me and take over. I am beginning to realize this is not the case! I will keep on praying the binding and loosing prayers and see what else comes up! Thank you and God bless. L

Thank you very much for your E-Newsletter and your radio shows for downloading. They are very important to me. I try to translate your book and I understand most of it. I am from Germany and know your ministry from the God-Channel. Thank you very much, Barbara

My name is Pastor Bernard Taylor and your books on binding and loosing have been impacting my life and my ministry. I knew that the church was not teaching correctly on binding and loosing, but I could never prove it to other Christians. I studied the meanings of binding and loosing and wondered why people were binding the demons and loosing blessings.

After reading your books, God taught me the true meaning of surrendering to His will and timing. I really never knew how to surrender to God. The members of our church also did not understand how to surrender to the true will of God. Thank you for your willingness to write these powerful anointed books uncovering how to get into God’s true will and not the “man-made will of God.”

There is so much to say, but the most important thing is **“DO NOT STOP GOING FORWARD IN THE WILL OF GOD, LIBERTY!!!! WE NEED TO KNOW HOW TO OPERATE IN THESE LAST EVIL DAYS!!!**

If you come back to Ohio, please let me know so that we can be a part of the workshop. As I plan to teach this message, I want to order the entire teaching series. What would it take to get you to come to our church?

Greetings Liberty, Your books have changed my life. I have been crying out to God for the last 10 years. He has sent many helps to me and His Word has become my manual for living, but my mind still assaulted me. I devoured your books and began to bind and loose from the first page, praying for family, friends, and myself. I was startled that the answers began coming so quickly.

I am teaching a class now on your books. One person in the class so disrupted the last class I taught, I was fearful that the same thing would happen again. I prayed

constantly for her, binding and loosing. Well, her testimony is that God is answering her binding and loosing prayers so fast she has not had time to absorb the impact. She is changing before my eyes. I am believing God like I have longed to believe all my Christian life. Pat

Who and What is LIBERTY SAVARD MINISTRIES?

Reverend Liberty S. Savard, President of Liberty Savard Ministries, Inc. (a non-profit corporation), was born again in 1972. She is an ordained minister with credentials from the Evangelical Church Alliance (P.O. Box 9, Bradley, Illinois 60915). Rev. Savard has served as a singles director, associate pastor, speaker, and Bible teacher. She is the author of *Shattering Your Strongholds* (1993 Bridge-Logos Pub.), *Breaking the Power* (1997 Bridge-Logos Pub.), *Producing the Promise* (1999 Bridge-Logos Pub.), and several mini-books and workbooks. With *The Unsundered Soul* (2002 Bridge-Logos Pub.), *Apples of Gold in Baskets of Silver* (2003 Bridge-Logos Pub.), and *BEYOND Shattered Strongholds* (2005 Bridge-Logos Pub.), she now has 14 books in print around the world.

This ministry believes the Scriptures are inspired of God, infallible, and fully authoritative for Christian faith and conduct. Jesus Christ, the Son of God, was born of a virgin, lived a sinless life on Earth, died on the cross in a substitutionary work of redemption for mankind, rose again and now sits at the right hand of the Father. Through Christ's shed blood and renewal of the Holy Ghost, justified by grace through faith, man becomes an heir of God with absolute hope of eternal life.

This ministry teaches Christians how to cause their unsundered souls (old natures) to surrender to the will and purposes of God. LSM also teaches Christians how to loose emotional baggage from their souls to create room within themselves to receive all God has promised to them for today. This allows believers to fulfill their destinies while walking in knowledge and power to bring glory and honor to God the Father! This ministry teaches God's people how to pray with the Keys of the Kingdom (Matthew 16:19) to impact things on earth to cause them to come into alignment with God's already-established will in heaven. This ministry is dedicated to training Christians how to pray purely without "want lists" and "instruction manuals" for God (so He will know how best to answer their prayers!). Effective prayers with pure motives declare that God's will shall be done on Earth as He has so set it in heaven.
