**Word from Liberty Prophecies 2009**

It is interesting to follow what some of the most respected prophets of our times seem to be saying. It is not really encouraging to find that so many of them are giving what seems to be diametrically opposed messages for the rest of this year.

In checking out the websites of many of the prophets of this day, there is little agreement on exactly what God is saying for these last days. Some speak of pending calamity, some speak of God’s wrath upon the US and other countries in 2009, one speaks of great joy and festivities coming in 2009, one speaks of new businesses coming forth, one speaks of new brain and spiritual currents coming, and one speaks of God calling denominations abominations.

God says (Deuteronomy 18:21-22), “If you say in your heart, ‘How may we know the word that the Lord has not spoken? When a prophet speaks in the name of the Lord, if the word does not come to pass or come true, that is a word that the Lord has not spoken; the prophet has spoken it presumptuously. You need not be afraid of him” (ESV).

First Thessalonians 5:19-21 (AMP) tells us: “Do not quench (suppress or subdue) the [Holy] Spirit; Do not spurn the gifts and utterances of the prophets [do not depreciate prophetic revelations nor despise inspired instruction or exhortation or warning]. But test and prove all things [until you can recognize] what is good; [to that] hold fast.”

Words that are spoken in the name of the Lord are very serious to Him. Still He says that we are not to despise the prophets’ utterances, but test and prove all things until we can recognize what is good. We are to hang on to that.

One well-known prophet said this, “You do not have to have every answer today in this changing world. However, you can think the way that He thinks. If you trust in your own knowledge, you will miss the mark. You can be in harmony with Him and your spirit will bear witness to His Spirit of life.” I completely agree with what this man has said. So how do we begin to think the way He thinks?

For years I have said this in response to people asking me if I was a prophet or an apostle: “No, I do not hold either one of those offices, even though I may occasionally stumble into giving a word of prophecy. All of us can be used to give a word of prophecy if we are as surrendered to God as we know how to be, especially when we are continuing to surrender more every day. This does not mean we are prophets, but we can be used in this gift as the Spirit sees fit.

I actually believe that I hold the office of an end-times street sweeper. I have been called to help Christians get the clutter and stuff out of their souls before the end-time prophets and apostles begin to speak God’s words that will rattle and shake everything we know, think, and have.

You will not be able to sort out the false prophecies, the well-meant prophecies, the soulish prophecies, and the true prophecies in these final days until you sort out your own misconceptions and beliefs about prophetic words. You most likely will have to admit that you may have wrong beliefs and ideas about prophecy along with your feelings about your favorite prophet or minister.

Since God is the Father and the Author of creativity, what we cannot see is clearly visible to Him. He can reveal that prophetic words that seem to contradict each other actually dovetail with each other to reveal an entirely new thought from the mind of God. All of the seemingly contradictory prophetic words from God being spoken today could be like a patchwork quilt of His warnings and love and promises to His people. Our finite, natural minds cannot sort that out.
What each one of us can do, however, is to clear our souls with the Keys of the Kingdom prayers. This is not an attempt to empty our minds, rather to do a bit of spiritual housekeeping in our souls. God has not given us a dangerous mind that just gets in His way or a will that is like an unbroken horse. God has not given us emotions that are sometimes silly and sometimes destructive.

These are all three powerful and wonderful gifts from Him. Our problem is that we have allowed these three natural blessings to become infected with wrong teaching, wrong thinking, self-defensiveness, and the ways of the world. It is not necessary for us to identify each wrong thing in the world; but it is prudent that we trust the Keys of the Kingdom prayer to steady and stabilize us while loosing and removing that which is wrong in us. The Keys of the Kingdom prayers help us remove everything that keeps getting in God’s way as He tries to move us into destiny alignment.

Here is a Keys of the Kingdom prayer for clearing out misconceptions and preconceived ideas about the prophecies for 2009:

Father, thank you for the Keys of the Kingdom to help me get rid of my preconceived ideas and misconceptions. I have long desired to think like Jesus thinks, but my own thoughts and ideas just keep getting in my way.

I bind my will to your will, Father. I obligate it to the plans and purposes you have always planned for me. I am excited to realize that you have always had specific things for me, imagine—just me, to do and that is why you have created me the way I am. Some of my seemingly less-than-desirable traits are not really mistakes; they are just not in alignment with God’s plans for them yet. How great you are!

I bind my feet to the paths you want me to walk. I bind my hands to the work you want me to do. I bind myself to your timing. I am so excited to know that you want me to work with you, to know that you are the originator of the Father Taking His Sons and Daughters to Work with Him Day!

I do not want my thinking about 2009 to be messed up with old preconceived ideas I have or with misconceptions that I have never tried to overcome to make room for your truth to permeate my being. I know that you are well aware of the economy, the government, the stock market, the gangs, the drugs, the wars, and man’s inhumanity to man. I will not fear these things for you have told me to Fear Not, For You Are With Me! I will continue to pray and look for wherever you are calling me to move into or out of.

I loose, smash, crush, and destroy all preconceived ideas, all misconceptions, all wrong teachings, and all wrong beliefs and ideas that I have rolling around in my soul. I loose the effects and influences of wrong agreements I have come into about how terrible the government is, how terrible the economy is, how terrible people are. You have already determined how each one of these areas are going to play out and end up. You are only asking me to agree with you that you are still in control.

Thank you, Lord, for the pressure and the stress that I can feel falling away as I bind my will to yours and recall that you are on top of everything! You know it all. Gracious Lord, thank you, thank you. In Jesus’ Name, Amen

LSM Teachers’ Certification/Believers’ Training School
Sacramento CA March 3-7, 2009

Although I seem to believe that every training school is the best one ever, I’m convinced that once again this is the best one ever. We had one of the most dynamic groups of women ever. There were no men this time, but they will be back, I know.

Testimony from Pastor Robert Little, LSM Teacher Level III: My wife, Chrystal, and I have been fine tuning our understanding of using the principles of the Keys of the Kingdom/Unsurrendered soul (since 1998) while teaching in our home groups. We have seen so much life change in those who attend our groups. It was a real blessing to be invited to teach this particular group of LSM Teachers’ Certification/Believer students for two sessions in the middle of this March 2009 LSM Teachers’ Training. I was very impressed to see how hungry they were for additional information and understanding so they could share the Keys of the Kingdom/Unsurrendered Soul message with others. Thank you to Liberty and all the Eagle Teacher Students for letting me spend this important time with you.

Arianne de Man (Netherlands) in striped top, Dee Vickery (TX), Lucy Newton (VA), and Valerie Hall (ID) in prayer
Five students are in the process of Certifying at Level I or upgrading their training to Level II: Arianne de Man (The Netherlands), Dee Vickery (TX), Lucy Newton (VA), Stephanie Miller (TX), and Valerie Hall (ID). Here are more of their pictures followed by their words:

Testimony from Arianne de Man of The Netherlands:
Liberty, we could all see that you had great passion to share everything you had with us. I really wanted to do the Certified Teacher’s Training at LSM Ministries even though I had to come to the United States for it. I eagerly booked the training at the very week it came on the website in September 2008.

When it was time to actually come to the United States I became very nervous about the training (would I be able to follow up?), nervous about the other students (would I get along with them?) and nervous about the journey to Sacramento. My 12 days in Sacramento, studying to be an LSM Certified Eagle Teacher, were a great time for me and I found the school most encouraging. I have read almost all of Liberty’s books, and I was already quite familiar with using the Keys of the Kingdom.

But this Teacher's Training has given me new insight and great support to share the message with people in the Netherlands. I loved the way Liberty teaches, and I felt very privileged to be one of the people to whom she has been passing her knowledge on to. Being with my new American friends, sharing knowledge, fellowshipping, and learning from each others experiences has been a blessing to me. Liberty, thank you very much.

Testimony from Valerie Hall, LSM Certified Student Level I: As a returning LSM Teacher Level I, it was incredible to get to refresh and re-prioritize how to use the Keys of the Kingdom. It helped me fine tune what I both knew and thought I knew, and I was excited about the new revelation Liberty has received since my Level I LSM Training School.

This was surely the most soul-surrendered group I have been with in a long time! The interaction with the Believer Students and the Certified Teacher Training Students made it seem as if God had already knit our hearts together. The teaching was very specific and timely, and the class size was incredibly just right because it allowed us so more time to interact.

Testimony from Stephanie Miller, LSM Certified Teacher II: Liberty Savard was birthed for such a time as this in the Kingdom of God. As a LSM Certified Level II Teacher, I had practical knowledge of the Keys of the Kingdom, but God drew me to this training session. What I received was deeper understanding of how critical it is to never lose sight of one our most effective power tools – binding and loosing.

All of us were hungry for more of God and received it. Liberty led us in a wonderful time of ministry and impartation. Now, we take the challenge as we apply what we experienced in our personal lives and as we share it with others in the world. There is no turning back!

Cowgirl Dee Vickery: I attended one of Liberty’s weekend Blitz trainings in Sacramento 10 years ago and I have been moving in the Keys of the Kingdom ever since in my own life and my ministry of reaching out to victims of family violence (www.DeeVickeryMinistries.com).

This was my first LSM Teachers’ Certification/Believer Training and I did not intend to try to Certify as a LSM
Teacher at this time. I was so encouraged by the teaching and the support of the other students, I just took the leap and went for Certification. I can hardly wait to hear if I passed!

More testimonies from students will follow in April’s newsletter! Please pray for these brave teachers who are taking this message to the trenches and to the front lines. They are so strong in their conviction that the Keys of the Kingdom will help anyone and everyone change their lives for the better! I am so proud of them.

### Christianity That Works!

**by Karen Failor (LSM Certified Teacher II)**

The Keys of the Kingdom message that I have learned, practiced, and taught has been for me, in a nutshell, “Christianity that works!” This message teaches a tangible, doable, workable kind of faith, as opposed to the vague, abstract, idealistic Christianity that I had been often limited to in the past. That was a Christianity full of “maybe” prayers to a somewhat of a “maybe” God.

Would my prayers be answered because I interpreted the promises in the Word correctly? Or, because I was in right standing with God? Or. because He was “in” that day to receive them? My prayer life was mostly successful, but at times frustratingly impotent.

At a time when much turbulent change suddenly came upon my life, I was introduced to *Shattering Your Strongholds*. Immediately, there came a joyful witness that my part in prayer was to find out what God was already doing and cooperate with it by my agreement. Prayer became a partnership with God, rather than a spiritual wrestling with Him (I thought) like Jacob.

There is a wrestling in the Scripture that Christians are involved with, but it surely is not with God! He has made full reconciliation between Himself and His children. No fight there … well, except for my carnal nature, aka “unsurrendered soul.”

The Keys are not an end, but a means to the end of God establishing His Kingdom on the earth – first in me and then in all that He and I agree upon. Like a good dance team, He takes the lead and I cooperate, and we move together from battle to miracle over and over again. For my part, I am bit by bit continuing on in the process of trading my thoughts, my opinions, my high and mighty knowledge for His. And my Christianity has become much more enjoyable.

I have seen amazing moves of God in families, businesses, individuals, churches … you name it … as a result of partnering with God in what He wants to do (which is always good). I’ve gone on to receive all of the training in this message and have successfully imparted it to hundreds of others. Let me urge all who read this to first start with you – but don’t stay there too long. God has a whole universe for you and Him to take together!

### Giving Hope to Those Who Feel Hopeless

**Dr. Phyllis J. Arno, National Christian Counselors Assn.**

Rev. Savard spoke at our 2008 N.C.C.A. Fall Conference in Orlando, Florida (as well as two prior conferences in past years). We were once again blessed by her message. Her teaching on the Keys of the Kingdom is truly *“for a time such as this….”*

The World is in such turmoil. People are insecure. Some have lost their jobs, some have lost their homes, and some are barely able to feed their families. Their finances have been depleted and everything seems hopeless. When people come to this point, they will try to find ways to “just make it through the day.” Some will become so depressed that they will turn to suicide and others will turn to God.

When they do turn to God, we need to be able to give them hope. At N.C.C.A. we train counselors to be able to offer hope to those who seem ready to give up. Our counselors teach their counselees who God created them to be, that He has a special purpose for each of them, and how to find this purpose.

We, too, believe (as does Liberty) that we are made up of body, soul and spirit and that the Holy Spirit should be on the thrones of our lives. Our bodies and souls should line up with our born-again spirits to make this so. Our souls want to be in charge, and they do not want to submit to our born-again spirits. There is the problem.

Rev. Savard teaches that there are strongholds in the soul area. She teaches us that the “defense system our souls build and use are constructed of stronghold thinking which is the arguments, reasonings, rationalizations, justifications, and denials that we use to explain and defend why we are still the way we are, why we can’t love others, etc. and that the strongholds protect these lies through reasons and rationalizations.”

Our counselors teach their counselees that they have strengths and weaknesses and, they need to submit these strengths and weakness to God for perfection.

This, coupled with Rev. Savard’s teaching on the Keys of the Kingdom helps the counselees learn about their own defense mechanisms and ultimately how to surrender their own souls to God. This enables them to line up their bodies, souls, and spirits so that God’s Spirit can take His rightful place to guide and direct them in all truths so that they can in turn bring honor and glory to our Lord and Savior, Jesus Christ.
“READ A FLUFFY BOOK WRITTEN BY A WOMAN? I DON’T THINK SO!”  
Rev. Tony McGhee, Pastor, LSM Advisor and  
LSM Certified Teacher II

I first heard of the principles that Rev. Savard teaches through reading her book, *Shattering Your Strongholds*. I can’t believe I almost ignored this powerful book. I had just completed a study of spiritual warfare emphasizing demonology, and was looking for additional insight into deliverance ministry that would satisfy my self-imposed standard of authenticity. So off to the Christian book store I went.

On the shelf with many other book titles was one lone copy of *Shattering Your Strongholds*. After flipping through a couple of pages and seeing the picture of a woman on the back cover, I put the book back on the shelf. I found the material a bit interesting, but I thought the book might be a little fluffy since it was authored by a woman.

I later discovered that there was no fluff in this book (which Liberty loves to tease me about from my pulpit at my church!!) After wandering around the store for several minutes, I sensed the Holy Spirit leading me back to the fluffy book. In obedience, I bought the book.

Later that evening I began to devour the material in *Shattering Your Strongholds* which really identified some of the challenges I was facing. I can tell you now that I am not the same person I was nine or ten years ago before I began to apply these principles.

I did not realize it at the time, but I was a chronic people pleaser. I would go out of my way to keep people from being upset with me. There were exceptions, but my strongholds had me focused on pleasing others, oftentimes to my own detriment and disadvantage. Within a year, that area of my life was completely shaken.

I did not realize that most of my relationships were based on my dysfunctional perspectives. As I began to bind myself to God’s will and purposes and loose the stronghold thinking that held me in bondage, everything changed. As my life changed, true friends stood by me while others said that I was acting funny and moved out of my church and my life. My ministry changed as I began to stop trying to please people to satisfy the unmet needs in my soul.

I accepted the God-ordained authority He delegated to me as a pastor and I shook off the accusations of being a control freak that would have hindered me. Because of Rev. Savard’s teaching, I was able to see that I was not the one with a control issue. It was those who would not recognize or accept my pastoral authority. I began to see how my stronghold thinking had tainted even my most intimate relationships.

Change became the order of the day in my life, and Rev. Savard’s revelatory teachings made this possible. Using the Keys of the Kingdom (Matthew 16:19), I have been able to stand in faith more readily because my stronghold thinking has been and is still being dealt with in a biblical and a very practical way. Thank God for the revelation He has given Rev. Savard.

Because of Repeated Requests, NEW PDF Enhanced eBook of nearly all of the Binding and Loosing Prayers will be on libertysavard2u.com as of March 25, 2009! HELP NAME THIS BOOK and win a free copy.

Selling prayers? Sounds a little strange, doesn’t it? However, we frequently get asked if there is any book that Liberty has written that has all of the binding and loosing prayers in it. Liberty has steadfastly resisted doing this because too many people seem to want to just pray the binding and loosing prayers without the undergoing the PROCESS of surrendering to God’s will.

The problem with this is that many very startling and shaky things start to happen when you seriously pray these prayers. If you don’t know what this is God’s wrecking, deconstruction and reconstruction crew working with you to clean the toxic waste out of your soul, you might panic and run the opposite direction.

Understanding the process of using these Keys of the Kingdom prayers will help you to hold steady while God works with you to help you be FREE! This understanding is available to all who will read Liberty’s books and view her DVDs (CDs, Manuals, Bundles, etc.).

We hope that you will all see that it is important to read about and learn how to use these binding and loosing prayers so you can process the toxic waste right out of your souls and become all God wants you to be. Then, hopefully, you will use this new eBook as a reference book to pray your prayers and to share with others.

The Liberty Savard Ministries Book Store sells all of the prayers found in this new PDF eBook (and even more) in a heavy laminate form (they will probably outlive all of us!). The costs of these laminated prayer charts pays for the lamination processes at Kinkos and also gives us a reasonable profit to help keep our ministry offices open.

Remember, help name this new eBook and you can win a free copy. Send your names to liberty@libertysavard2u.com

This new eBook of binding and loosing prayers using the Keys of the Kingdom will be available for ordering and download on www.libertysavard2u.com by March 25th!
During the month of March and April, 2009, Liberty is offering a free download of her Deluxe eBook, **Keys to Understanding Freedom Here and Now**. This is a brand new, revised version of Liberty’s former 80-page mini book by the same title. This is Liberty’s gift to you, so just download and enjoy!

Liberty has wanted to make it possible for training with required resources to be available to anyone anywhere in the world. We have found that we have had many purchases of the individual Session Study Manuals and DVDs or Audio downloads without the corresponding books which contain each Session’s Reading Assignments.

In order to help during this economy so that students don’t have to order these extra books, we are now offering our new **LDT Individual Session BUNDLES** that include the Session Teaching DVD, the Session Manual, all Session Reading Assignments necessary, and a Session Teaching CD (for your car or your CD player) for $38.

Your questions seeking answers from Liberty are also an included benefit as part of these Bundles.

Modern technology is a double-edged sword. It allows you to do great and mighty things. It also can bring you to your knees with one tiny bit of wrong code, too many zeros and ones, or a squabble between two software companies that no longer want to do business together and you get washed down the drain with their breakup. We are having to re-wrap our Deluxe eBooks with a new “tool” in order to repost them for ordering and download.

We’re sorry for the delay currently affecting our LS2U order page, but Karen, Richard, Kristine, and I are dancing as fast as we can. Or, should I say that we are trying to get all of our technical and design ducks in a row.

Here’s a SHOUT-OUT!!!! for my great technical team that backs up Liberty Savard Ministries. This team also includes Brian Martin.

**Breaking the Power II eBook** can now be ordered on LS2U.

There is also a free trial version of Chapter 1 of **Shattering Your Strongholds** to check out on LS2U at [http://www.libertysavard2u.com](http://www.libertysavard2u.com).

Dear Liberty, I am reading your book **Breaking the Power**. I love your insights. I keep going back and reading sections over and over again. I started highlighting passages, and now I seem to have a whole book of highlights. I ordered some books from your web site and have been sending them out to others.

Thank you so much for your ministry. So many need the clarity of the Scripture that you reveal. May God richly bless you with inspiration, health, and meet your every need. Rev. Sid Cooper at [www.pinebrookchapel.com](http://www.pinebrookchapel.com)

Liberty, The first part of your February newsletter was just what I have needed. We have had a family issue going on for months and I am putting a stop to it with the wonderful words you wrote in Practicing Distraction (article in LSM February newsletter). I am so thankful that when I need help, I can talk to Jesus and then read some of your internet pages or your books and discover how to cooperate with my Father God.

For example, I am using your reminder to pray blessings, healing, encouragement, strength, and miracles over others. It stops my mind from going over and over what they may have said and done. Thanks so much for such a little thing, but so powerful.

Dear Liberty, I thank you so much and bless you in Jesus’ Name. You cannot imagine what this means to me that you are taking my prayer request to your intercessors. To know that believers are there to pray and support and care for fellow believers and battle for worn-out intercessors is such a relief. This already lifts my burden. Thank you.

Many Christians are passive in their faith and think some magic is to be waved in front of them to set them free. Most don’t get they have to work with God to be willing to let go of their toxic stuff. I used to wonder what the Word meant by “work out your own salvation.”

Thank you for the information on how it is the renewing of our minds, the surrendering of our wills, and the submitting...
of our fluctuating, fearful emotions to the Holy Spirit for healing.

I do believe in curses and the demonic. I live in Africa and have seen the manifestations and they are pretty hectic! But for most part we need to take responsibility for ourselves. I very much like the way you explain and clarify how we must loose our wrong patterns of thinking which closes the doors for the enemy to torment us.

God has shown me how many areas I was trying to control and I was not even aware of it. I believe that I can change this. Thank you for the path that your books have shown to me. Leonard

Questions and Answers
Where are all of you questioners out there? Usually I have so many questions that I cannot fit them all in, but this month you are very, very quiet. Could it possibly mean that you are getting your answers directly from God? Hallelujah!!!!

Liberty’s 2009 Calendar
Our ministry traveling calendar is very empty right now and will be for a while longer, according to doctor’s orders. Please pray that I will be back in good health and traveling again this year.
Who and What is LIBERTY SAVARD MINISTRIES?
Reverend Liberty S. Savard, President of Liberty Savard Ministries, Inc. (a non-profit corporation), was born again in 1972. She is an ordained minister with credentials from the Evangelical Church Alliance (P.O. Box 9, Bradley, Illinois 60915). Rev. Savard has served as a singles director, associate pastor, speaker, and Bible teacher. She is the author of Shattering Your Strongholds (1993 Bridge-Logos Pub.), Breaking the Power (1997 Bridge-Logos Pub.), Producing the Promise (1999 Bridge-Logos Pub.), and several mini-books and workbooks. With The Unsurrendered Soul (2002 Bridge-Logos Pub.), Apples of Gold in Baskets of Silver (2003 Bridge-Logos Pub.), and BEYOND Shattered Strongholds (2005 Bridge-Logos Pub.), she now has 14 books in print around the world.

This ministry believes the Scriptures are inspired of God, infallible, and fully authoritative for Christian faith and conduct. Jesus Christ, the Son of God, was born of a virgin, lived a sinless life on Earth, died on the cross in a substitutionary work of redemption for mankind, rose again and now sits at the right hand of the Father. Through Christ’s shed blood and renewal of the Holy Ghost, justified by grace through faith, man becomes an heir of God with absolute hope of eternal life.

This ministry teaches Christians how to cause their unsurrendered souls (old natures) to surrender to the will and purposes of God. LSM also teaches Christians how to loose emotional baggage from their souls to create room within themselves to receive all God has promised to them for today. This allows believers to fulfill their destinies while walking in knowledge and power to bring glory and honor to God the Father! This ministry also teaches God’s people how to pray with the Keys of the Kingdom (Matthew 16:19) to impact things on earth so they come into alignment with God’s already established will in heaven. This ministry is also dedicated to training Christians how to pray purely without “want lists” and instruction manuals for God (so He will know how best to answer their prayers!). Effective prayers with pure motives declare that God’s will shall be done on Earth as He has so set it in heaven.
