HOW LONG WILL IT TAKE?

So you have started praying the binding and loosing prayers. Good for you! Some start praying the prayers and continue for a couple of weeks to then become discouraged because what they hoped to happen wasn’t happening. Some people do feel a release of the control issues in their unsurrendered souls immediately after praying their first few binding and loosing prayers.

For others, it may take several days of praying this way. Still others, whose unsurrendered souls have elaborate soulish-protection systems in place, may need to pray for a longer period of time to see some results.

If you don’t sense any answers or differences after four weeks or so (sometimes less), something usually needs a tune up. That something is generally connected to a fear of the message or a lack of faith in the message. Why would someone fear the message? It doesn’t take too long to realize that the prayers mean someone praying them is going to have to make some changes in his or her life. That can be frightening to the gentlest of control freaks.

Use the Key of loosing to loose the fear and the doubts? Loose the fear? Why shouldn’t you loose a lack of faith? That is a good (but wrong) question.

Unfortunately, loosing the lack of anything won’t accomplish a thing. You can’t bind yourself to more faith, either.

Consider this: if you have a cupboard that is nearly or completely empty, or a cupboard that is overflowing with the wrong kind of food, just binding right food to the cupboard or loosing wrong food from the cupboard won’t accomplish a thing. You will need to take an action to bring balance and order to your cupboard. The binding and loosing prayers need to have an accompanying action by you to be their most powerful.

Faith is trust and confidence in the goodness and love of God. Faith also requires an act or action on your part. Faith is something you must have settled within yourself—either you trust God and have confidence in His love towards you or you haven’t settled it yet. Binding faith to yourself or loosing a lack of faith from yourself WILL NOT settle that assurance for you. Neither can assurance from someone else be “transferred or passed on to you” no matter how many times they try to convince you that God loves you.

Something mysterious happens to us when we truly believe in something. The belief captures our hearts and imagination and we embrace it wholeheartedly, becoming dedicated to its fulfillment. We continue to push forward even when obstacles arise or doors close in the face of that belief. At some deep level—beyond the level of common sense or logic—we know that we know that it is real and it is ours.

Many Christians give intellectual assent to certain statements about God, about Jesus, and about the Bible. Faith understood this way is a matter of the head rather than of the heart. When Christian faith is only an agreement with what we have learned, our emphasis shifts to holding “correct views” and believing “right things” are true. Faith cannot be described with certain words or contained by thoughts. Faith is not someone’s collection of ideas that represent that person’s convictions.

Faith is not trusting in the truth of a set of statements about God; faith is trusting in God.

The Bible states that “without faith it is impossible to please [God]” (Heb. 11:6). Someone trying to have faith means absolutely nothing if that person lacks faith.
Without faith, he or she has no hope—she or he has no possibility of pleasing God.

How would you rate your level of trust and confidence in God today? How can you be assured that you are always growing in your trust and confidence in God? All of us hope and pray that we are never faced with a test of our faith like Abraham was: (Genesis 22:2) “Take now your son, your only son Isaac, whom you love, and go to the land of Moriah, and offer him there as a burnt offering on one of the mountains of which I shall tell you” (NKJV).

The Word tells us: “Trust in the LORD with all your heart, and do not rely on your own understanding” (Proverbs 3:6, NIV). Are you afraid to try something? Do you understand why? Perhaps it is as simple as thanking a military service man you meet in a shopping mall. Perhaps it is visiting your neighbor (a stranger to you) with a gift of a pie or a plant. Perhaps it is volunteering for something that is outside of your comfort zone, perhaps a testimony in church. Do you realize what keeps you from trusting that God will bring about a good result if you step out? You need to embrace the truth that you will not be stepping out on your own abilities—you will be stepping out on a fruit of the Spirit. What a concept that is!

Galatians 5:22-23 tells us: “But the fruit of the Spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance: against such there is no law.” Real faith comes from the Spirit of God—it is a fruit of the Holy Spirit. No one can have it without God’s Spirit.

Knowing how the people of the Bible needed to trust God can reassure us. Romans 15:4 says: “For whatever things were written before were written for our learning, that we through the patience and comfort of the Scriptures might have hope” (NKJV). Seeing the results of their decisions helps us learn from their choices.

Read the story of the great faith of Abraham and Sarah in Genesis, Chapters 12-18. As a youth facing the giant Goliath, David had faith that God would help him, stating, “The Lord, who delivered me from the paw of the lion and from the paw of the bear, He will deliver me from the hand of this Philistine” (1 Samuel 17:37).

Shadrach, Meshach and Abed-Nego (Daniel 3) put their lives on the line when they chose not to bow before King Nebuchadnezzar’s golden image. Refusing to bow to the image meant they would be thrown alive into the king’s fiery furnace. These young men said, “O Nebuchadnezzar, we have no need to answer you in this matter . . . Our God whom we serve is able to deliver us from the burning fiery furnace, and He will deliver us from your hand, O king. But if not, let it be known to you, O king, that we do not serve your gods, nor will we worship the gold image which you have set up” (Daniel 3:16-18). They did not know whether God would intervene to save their lives or not. They knew God could, but they didn’t know that He would. As an example of His power, God intervened to spare their lives. Even though He allowed them to be tied up and thrown into the furnace, the blazing heat didn’t affect them at all (Daniel 3:25-27). They walked out unharmed.

In the New Testament we read of a leper with faith who was healed after saying to Jesus, “Lord, if You are willing, You can make me clean” (Matthew 8:2-3). In another case, Christ offered to go to a Roman officer’s home and heal his servant. The officer’s faith was so strong that he knew Jesus didn’t have to be physically present for his servant to be healed. “Lord, I am not worthy that You should come under my roof, but only speak a word, and my servant will be healed,” (verse 8). Jesus said, “Assuredly, I say to you, I have not found such great faith, not even in Israel! . . . Go your way; and as you have believed, so let it be done for you” (verses 10-13). The servant immediately recovered.

So how can you increase your trust and faith in God? How can the Keys of the Kingdom, binding and loosing, prayers help here? Bind yourself to the will of God and to the mind of Christ. It is God’s will that you know Him better. Bound to His will is going to encourage you to desire more closeness with Him. Loose fear (Which is not a spirit) from yourself. Then remember what the Word tells us in James 2:14-17: “What does it profit, my brethren, if someone says he has faith but does not have works? Can faith save him?”

If a brother or sister is naked and destitute of daily food, and one of you says to them, “Depart in peace, be warmed and filled,” but you do not give them the things which are needed for the body, what does it profit?Thus also faith by itself, if it does not have works, is dead.

The original Greek says that the scriptural use of the word work (NT: 2041, Thayer’s) is by implication, an act. Works in these verses means actions taken. Unfortunately many believers believe and even insist they have faith, but they show no actions that validate that statement. An action or work of faith is not something you just randomly choose. It is stepping out on the faith of the Holy Spirit to do something God has chosen for you to do. Here is how to increase your knowledge and trust in God:

Pray the binding and loosing prayers as often as you can, and pray them out loud! Saying them only in your mind allows the enemy and your unsurrendered soul to mess with them. The enemy and your unsurrendered soul can’t mess with your spoken word. You can find these prayers in any of the Keys of the Kingdom books. Read several chapters somewhere in the Bible every day to reinforce your prayers. If you struggle with reading the Word, The Message version is very comforting and easy to read. If you don’t have a copy
of this version, it can be downloaded from the Internet at no charge to you.

Spend a quiet time thanking God at least three times a day for His love and His blessings and concern for you. Praise Him for being so faithful to you and to all believers.

Again, I caution you not to just think the prayers in your mind (this is a lack of agreement between an action of your body (walking, singing, clapping your hands), your soul (thoughts/mind and feelings/emotions) and your spirit (worship, adoration, expressions of love for God). Be sure you pray your prayers out loud even if you have to whisper as you stick your head inside a filing cabinet drawer or into the front of your coat. Finally, don’t be startled by the inevitable reactions you will get from your unsurrendered soul! This just means you have hit a raw spot with your prayers and you’re doing good!

There is power generated through any form of synergy (synergy is the interaction of two or more agents or forces that results in their combined total effort being greater than the sum of their individual efforts). You need the synergy of your mind, will, and emotions when you are praying the binding and loosing prayers.

Every time you pray these prayers for yourself, there is a tearing down of some of the stronghold thinking and defensive walls within you, even if the results seem like only a little pile of sawdust or a dust bunny to you. The smallest crack allows God to slip some grace and mercy and truth through where the walls have begun to crumble. Even though you may not see mountains tumbling and lightening flashing, God is at work!

Paul was talking to born-again believers in Corinth when he told them to pull down their strongholds (stronghold thinking) and every high thing exalting itself between them and the knowledge of God. Those high things are the stronghold thinking, self-defense, self-denial, and self-deception that your unsurrendered soul uses to confuse you. If any wrong thing, or high thing, is left unattended, it will keep gnawing its way into your unsurrendered soul; it will burrow deeper and deeper until you tear it out. Praying the prayer below will help you be aware of God's timing while you are tearing out and tearing down some high things:

I bind myself to your timing, Lord. I know I move in human understanding of time and my impatience can pressure and distort my ability to see your ongoing work in my life. Help me to know that I should move when You want me to move and that I should stand when You want me to stand. I loose all preconceived ideas I have about what You are doing, what I should do, how I should do it, and WHEN I should do it. I bind my will to your will and I bind my mind to the mind of Christ. I bind my emotions to the healing balance and comfort of the Holy Spirit. I loose all distractions and reactions of my emotions that may still be inflamed by unhealed hurts and unresolved issues from my past. I loose the works of the enemy from myself. Jesus came to Earth to destroy (loose) the works of the enemy (1 John 3:8), and He has given me the Keys of the Kingdom to do likewise. Thank you for your care and your love, in Jesus’ Precious Name, Amen.

Here’s a mini prayer to help you be encouraged whenever any hard or hurtful feelings try to come back and bite you:

Lord, I feel angry right now, but I don’t want the consequences of giving the devil room, opportunity, or a foothold in my life (Ephesians 4:26, Amplified). So I bind my mind, will, and emotions to You and I loose all wrong patterns of thinking from myself. Soul, let them go! I loose all the works of the enemy from myself (1 John 3:8, Amplified). The price is too high for me to hang on to them. The freedom that will come from releasing them is too sweet not to pursue, Amen.

Keep hammering your unsurrendered soul with the Keys of the Kingdom prayers and with a steady bathing in the Word. Your unsurrendered soul keeps fighting against God’s guidance because it doesn’t trust Him (Romans 8:7) and it knows that His ultimate goal is complete surrender! When you cooperate with God by allowing His will (His navigational track for you already laid out in Heaven) to overlay your will (a messy life track presently embedded in your unsurrendered soul), life will start getting good for you! God really has everything planned out for a fantastic future for you if you choose to take advantage of it.

The Incorruptible Seed of Christ’s perfect life, containing His spiritual DNA, was implanted into your spirit at the time of your salvation. Your born-again spirit became encoded with everything that you need to live out all that Paul speaks of in Ephesians 2:10, Amplified. This spiritual encoding works on the same principle as a tiny apple seed being naturally encoded with apple DNA providing everything it needs to fulfill its destiny of becoming a giant apple tree bearing sweet fruit!

All that God has for those of us who believe in Him—the gifts of the Spirit, the fruit of the Spirit, power, mercy, grace, and spiritual purpose—is already within you! I REPEAT: All that God has for those of us who believe in Him—the gifts of the Spirit, the fruit of the spirit, power, mercy, grace, and spiritual purpose—is already within you!

IMPORTANT INFORMATION: Your born-again spirit contains spiritual DNA that is divinely encoded and fully loaded with every answer, resource, and ability you’ll ever need to do whatever God calls you to do! Your belief of that will switch on Christ’s spiritual DNA in your spirit.
Your answers, your calling, and His answers are not out there somewhere in the unknown future—they are already inside you RIGHT NOW. You have not realized this because your unsurrendered soul has been throwing up every blockade it can to prevent the activation of Christ’s DNA in you. Loose (smash, crush, and destroy) your unsurrendered soul’s blocking and jamming agendas and begin cooperating with God’s GPS spiritual agenda for you right now!

It doesn’t matter if you think you:
1. are not smart enough,
2. are not brave enough,
3. are not rich enough,
4. can’t write,
5. can’t draw,
6. can’t sing,
7. can’t act, and
8. can’t play the piano or the guitar!

It doesn’t matter if you think you don’t have the perfect:
1. look,
2. weight,
3. height, or
4. voice.

It doesn’t matter:
1. if you’ve made mistakes,
2. if you have the wrong background, or
3. if you do not have influential relatives in the ministry.

God wants to lift you into your end-time messenger position of favor and great influence—fully surrendered to Him! Pray this prayer:

In the Name of Jesus Christ, I bind my body, soul, and spirit to the will and purposes of God for my Kingdom destiny. I bind my mind to the mind of Christ so that I can hear His words of truth and encouragement. I bind my tattered and torn emotions to your healing comfort and balance, Holy Spirit.

Lord, I loose stronghold thinking, the enemy’s works, and discouragement from myself because I want to be free of all the bondages and baggage I’ve been carrying all my life. Lord, only You can fix and strengthen me so I can fulfill the glorious purposes You have for me! Lord, I know that I need some soulish demolition and spiritual clean up. Just like an urban renewal project, I want to bring in your spiritual heavy equipment to tear down high walls that have been protecting deception and denial in me. I believe that my Father God is going to spruce me up and use me mightily!

My safety equipment is my ability to bind myself to You—body, soul, and spirit—which I now choose to do. My demolition equipment is the Kingdom Key of loosing. I loose, smash, crush, and destroy my unsurrendered soul’s wrong beliefs, denial, and error that it keeps clinging to so tightly. I loose all these things right now. I do not want any error standing between You and me. Thank you for these Keys, Jesus. In your precious Name, Amen

DECLARE: God and I have a great plan for my future because He is faithful and because:

1. I’ll PRAY the binding and loosing prayers as often as I can, and I’ll pray them out loud so that my unsurrendered soul and the enemy know I am definitely in the game and have to be reckoned with every day!
2. I’ll READ at least three chapters somewhere in the Bible every day to reinforce my prayers.
3. I’ll THANK God at least three times a day for His love and His blessings and His concern for me! I’ll praise Him for being so good and faithful to His people who are in His family.
4. I’ll QUIETLY MEDITATE and listen for Him to speak to me every day.

Lord, the Word says that Jesus left me the binding and loosing Keys of the Kingdom (Matthew 16:19) to help me cooperate with your grace. I don’t really know how to cooperate with You, but I know I don’t want to go on feeling hopeless, tired, and discouraged anymore! I want to lie down at night, sleep well, and wake looking for You.

I bind my mind to your mind, Jesus, trusting that I will be able to hear your thoughts instead of the dark thoughts that have been in my mind for so long. I bind my wounded emotions to your healing balance, Holy Spirit, trusting you to comfort me and cover them with mercy and grace. I believe You will stabilize me.

I loose all wrong beliefs I have accepted from my unsurrendered soul and the enemy which have birthed continual discouragement, pain, and fear in me as they kept me bound to my unresolved old memories and my unhealed old hurts. I loose the soul ties I’ve made with others who have darkened minds and wounded emotions, too. Show me how to cooperate with You, step by step. I do believe that You love me and that You will help me. In your Precious Name, Amen.

If you choose to write and sing your own song without God’s help, you will find yourself singing off key from time to time. That is because you cannot sing the soulish clogs free that you are sure to run into, you will never be able to sing for solutions for the soulish bridges being out ahead of you, and let’s face it—without God’s love and guidance and mentoring, your future may be ferocious!

You can really get bogged down in the natural when you do not follow God’s directions. If you mess up, turn to Him in
true repentance (the key words being: true repentance). He will deliver you from your bad choices and mistakes and set you right. The consequences of your finite thinking may snap and chew at you for a while, though. That’s how we learn not to make the same mistakes again.

When you make right choices, in alignment with His will, He accepts the responsibility for the consequences that come from those decisions. When you make self-willed wrong choices, you are responsible for the consequences that will play out—regardless of how bad they are! God will accept our true repentance, forgive us, and give us second chances over and over to follow His will. That’s the good news! The bad news is that the consequences of willfully repeated wrong choices become tougher and tougher, harder and harder, and they gouge our flesh deeper and deeper every time a wrong choice is repeated.

Do you really know what consequences are? They are the results of breaking a natural or a spiritual law; they are not punishment. If you stick your hand into a fire (not smart and it will really, really hurt!), the burns you will suffer are not punishment! Get this: they are the results, the consequences, of the foolish choice you just made! Consequences are the natural and spiritual results of your choices, right or wrong! God rarely intervenes in your consequences. He may, however, set up a serious roadblock to a wrong choice that could result in extremely grim consequences, even death, in your life. Some of these roadblocks might seem very harsh; but some lives can only be saved by harsh circumstances!

The Keys of the Kingdom Rule #1 is that we must never try to judge what God is or is not doing by what we see in the natural. If you are praying in right agreement with His will for yourself and for others, He is ALWAYS working in your life and their lives in some manner.

The binding and loosing prayers are designed to help someone pray for God’s will and guidance for themselves and for others. They are designed to change the heart/souls of those who pray them as well as the heart/souls of those who are named in the prayers. Unfortunately, when things don’t turn out as expected, people are disappointed because they thought they were praying get-answers-you-want, quick-prayers. God answers or works with the binding and loosing prayers that seek His will. Bind your will and your families’ wills to God’s will, your mind and their minds to the mind of Christ, and your emotions and their emotions to the healing balance and comfort of the Holy Spirit, and then then thank Him for everything.

I am in the process of reading Shattering Your Strongholds and Breaking the Power...They have changed my life...I was up at 3:00 a.m. reading this morning and I could not go back to sleep...Debbie

(E-mail from two new students in Long Distance Training program) We are so excited for this opportunity and believe this will really Bless us and the people we work with. Your 3 books about shattering your strong hold thinking changed my life! We work with people from all walks of life struggling with different areas of addictions and/or other core issues like grief, anger,... everything you cover. Many like myself were in the Church, but had no idea where to turn for help. After my Mom died, almost 10 years ago, a friend gave me your book Shattering Your Strongholds. It was amazing, I loved how you walked me through and gave me the tools I needed for my unsurrendered soul that I didn't understand or even realize, my anger that I didn't even think I had; it was amazing. Then I had to get your other two books and my healing journey started and I believe it saved me. It’s never too late, I'm a Gramma now and I’m not perfect at 53, but I feel better than I ever did in my life. It is my prayer that others learn how to be set free from all our wrong thinking; it is exciting that God truly loves us; even if we don’t know how. You are an amazing mighty woman of God. All God’s Blessing to you. Sincerely, Jana

Woke up this morning with the name Liberty Savard, had no idea what that meant, Googled it. Wow, what a resource. Praise God. http://www.libertysavard2u.com/radio.html, Gordon

Dear Rev. Liberty: I want to share my testimony with you. For about three weeks I have been enjoying freedom from anger. A year ago I wrote to you about an awful outburst of anger I had at one of my pupils who was so insolent. I wrote to you and you answered that my anger had begun to surface. I continued praying by using the binding and loosing prayer principles asking the Lord to heal me from my anger. It is a miracle!!! I am free from my anger. Sometimes I had to suppress my anger that arose inside when my pupils were not ready for the lessons. Now I am free and I can’t believe my own ears when I hear myself saying so calmly to my pupils that they must learn well to know English because it’s their future. It’s amazing. I ask the Lord to help me stand in this freedom and I keep up praying by using the Keys of the Kingdom. Thank you so much for the teaching you were willing to receive from the Lord. The people in my church can see the difference and even some of my pupils at whom I sometimes shouted and then repented. I am free!!! The Lord is Great!!! With much love and gratitude, Pastor Z. from Ukraine

After having read God’s GPS & re-reading Producing the Promise, I have so much peace, the burdens are lifted! I’ve also added praying the greatest commandment scriptures, 1 Corinthians 13 & other love-filled reminders to follow the Lord’s example in loving others: forgiving, not reacting to other people's negative/harsh words, putting on love as the most important clothing which binds us in peace and perfect harmony. I prayed all of them with binding/loosing prayers. I believed that getting out of the wrong agreements/soul ties with my elderly friend’s children helped greatly. Please pray for finances (I’ve job prospects, etc) Again, I’m grateful for prayers and teachings from your books. Prayers & blessings in Christ, Shirley

I want to tell you my Pastor’s wife gave me her book to read, Shattering Your Strongholds, and that is why I HAD to have this book! Wow, I absolutely have finally gotten hold of this powerful truth of binding, loosing. Every Christian should have this book! Thank you so much for searching, finding, and then sharing and teaching us the body of Christ this valuable and powerful truth. Incredible book!! K.

I’ve just watched your 2nd DVD; watching you teach is like having a face-to-face counseling which lifted the “burnouts” I’ve been having caring for my 96 yr. old friend; I’m also enjoying God’s GPS...I’ve come a long way dealing with my soul issues, but still have to constantly work on it - a progressive sanctification all the days of our lives until the Lord comes back or calls us home. SR

Dear Liberty, I am writing to tell you I am thankful for what you taught me. Today I looked back in a journal and I see many changes in me. I am no longer anxious and worried and filled with fear. I don’t seek attention and stopped going to the mall when depressed. I had strongholds (thinking) I didn’t even know about. Every day I am more free. I hope to meet you someday. You are a precious Saint of The Lord. I am so thankful you took the time to call me that Sunday in June last year.

Rev. Savard: I’m making progress with the binding and loosing prayers. They’re ripping apart “stuff” that has apparently been embedded for quite some time. It’s not an easy journey as the unsurrendered soul fights the change.

Today, I began feeling an overwhelming sense of compassion for people. I’ve always been kind and generous but this goes much deeper - like the compassion that Christ felt (and feels) for people. Wow! What a ride! Blessings, Karen in Florida
When I woke up this morning I thanked God for the ministry He has called and entrusted to you. I want this thank you to encourage you to continue to allow God to strengthen and provide everything you need to continue updating and writing books. Now that I am back in full-time ministry with more freedom to teach from your books, I'm staying amazed as I continue to apply the Keys of the Kingdom in my own life and teach them to others how powerful they are. I am so grateful for you and your ministry team . . . you have been a great example for others to follow if we want the whole truths of what Jesus really died for. . . to set us free indeed. . . thanks. SW Alabama

Rev. Savard, the Keys of the Kingdom! What a revelation! I was introduced to these “Keys” just a few short months ago and they’re making an incredible difference in my life and in the lives of those I’m praying for. Following is just one example: I’ve been praying the binding and loosing prayers not only for myself but also for my best friend, who is a committed Christian. Her oldest child has been somewhat estranged from her for several years. She’s prayed for her using the knowledge that she had but nothing seemed to change (my friend is just now learning the Keys of the Kingdom teaching). I prayed the binding and loosing prayers for her child and her and the child has, in the last few weeks, done a complete turnaround! She would barely talk to her mother before, wanted very little to do with her or the Lord, and now she is paying her mom’s expenses to visit her in another state. She’s even begun to go back to church. I know I still have a lot to learn. I’m reading and rereading your books and watching the DVD’s and even though I’m in the “baby” stage, I’m seeing incredible results. There is such power in this that it’s kind of scary at first. I’m really trying to be careful with what I’m doing. Blessings, KS

God Bless you, Liberty, for this message! Having found out about the SYS book on June 9, 2012, I began immediately to pray the binding and loosing prayers. I sent you an email about my son who has addictions to alcohol and drugs. You told me you’d pray, too. I have prayed daily with the prayers, and he has informed us this week that he is going to go in a rehab hospital this weekend! In addition, I have been having two groups of 3 ladies come to my home weekly. They’ve been reading the SYS book, praying the prayers, and good things are happening. I am considering getting certified to teach. CW

Hi Liberty, I just wanted to let you know that we received the package safely, and thank you once again for the gifts you have given the church! It may interest you to know that a team from Zimbabwe will be joining our church for a while to learn the principles of loosing and binding. God bless, Pastor Wendy, South Africa

Okay, okay, now I can see how this teaching can be so controversial! I’m sure it took much courage and obedience for you to follow this calling. Your love for God and His people is truly evident! I thank God that you did! HELEN

PRAYING FOR THE CHILDREN
The LSM International Intercessors, Phase 7, around the world pray for children who are in situations of all forms of abuse, hunger, sickness, poverty, and child slavery. I pray that angels, authorities, and strong adults can give help to them at the right time it is needed. Second Chronicles 7:14 tells us:

If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land (NKJV).

Some of our wicked ways surely are that we do not pray enough for those who need help so much, those who are not in a position to help themselves. This speaks of the power of our prayers for our nations and those in them if we will humble ourselves, stop following our own wills and our own agendas, and pray with all the focus and determination that we can for what is right. Please join with me and others committed to praying for the children of the world who desperately need us to agree that God’s will shall be done in their lives and quickly.

Lord, I come to you with pain in my heart asking that you forgive me for not daily remembering and praying for those who cannot help themselves. I bind every child in the world to your will. I bind their minds to your mind, Jesus, and I bind their wounded and ragged emotions to the healing balance and comfort of the Holy Spirit. Please speak words of strength, encouragement, and hope to them. Please send help to rescue them quickly. I loose the enemy’s influence from all adults who are using and abusing so many children in the world today. Please heal the abusers from whatever has driven them to such behaviors. People are not born knowing how to abuse; they learn from being abused themselves. Please break this evil cycle in their lives.
I loose, smash, crush, and destroy the enemy’s works that are coming against these children. You have said that if we would humble ourselves, pray, seek your face, and turn from our wicked ways, then you would heal our land. Please show us all that we need to do to work with You to see our lands and the children in them become safe and healed and filled with hope. Thank you, Father God. Amen

Always remember James 4:17 (NIV):
Anyone, then, who knows the good he ought to do and doesn’t do it, sins.

This ministry believes the Scriptures are inspired of God, infallible, and fully authoritative for Christian faith and conduct. Jesus Christ, the Son of God, was born of a virgin, lived a sinless life on Earth, died on the cross in a substitutionary work of redemption for mankind, rose again and now sits at the right hand of the Father. Through Christ’s shed blood and renewal of the Holy Ghost, justified by grace through faith, man becomes an heir of God with absolute hope of eternal life.

Liberty teaches Christians how to make their unsurrendered souls (old natures) surrender to the will and purposes of God. She also teaches Christians how to loose emotional baggage and toxic waste from their unsurrendered souls to create room within themselves to receive all God has promised to them for today. This allows believers to fulfill their destinies while walking in knowledge and power to bring glory and honor to God the Father! The message of binding and loosing and the unsurrendered soul teaches God’s people how to pray with the Keys of the Kingdom (Matthew 16:19) to impact things on earth so they come into alignment with God’s already established will in heaven. Liberty teaches Christians how to pray purely without “want lists” and the soulish instruction manuals Christians are so prone to creating for God (so He will know how best to answer their prayers!). Effective prayers always have pure motives, God’s will, never soulish purposes or motives. Binding and loosing Keys of the Kingdom can always expose hidden motives in a believer’s unsurrendered soul.
HOW LONG WILL IT TAKE?
When will your binding and loosing prayers finally begin to work?
