I’m an Excited Christian Writer Right Now!!! My Newest Book is at My Publisher’s!

My publisher now has my newest manuscript, *GPS for the Soul*. This was originally supposed to be a combining of the four mini books, but it grew and grew and evolved into something far more exciting. Here are some of the writings from this new book that I would like to share with you.

**Word from the Author about *GPS for the Soul***

**GPS (Global Positioning System): the world understands this to mean a satellite-based digital-navigation system which allows users to determine their location anywhere in the world at any time of the day while giving directions to where they need to go.** This electronic system is used today in cars, airplanes, cell phones, and other electronic media to aid humans in navigating their way through unfamiliar areas.

God has His own highly-superior GPS called *God’s Positioning System*. Our born-again spirits are always in perfect alignment and position with God, but our unsurrendered souls are another story. The human soul often runs amok in its uninformed choices, directional confusion, false starts and stops, and stubborn refusal to admit it is going the wrong way as it tries to navigate through its own concept of the world.

Those who have an electronic GPS are all familiar with that (somewhat irritating) electronic voice of their GPS repeating, “Recalculating, recalculating, recalculating!” This means you have made a wrong turn or missed your turn and the GPS is scrambling to come up with the nearest optional route to still get you to where you want to go.

God’s Positioning System works on the premise of clear spiritual directions that, when followed, will keep you moving on the best path possible to your kingdom destinations while simultaneously helping you arrive right on time! But if your soul dives off God’s intended path to follow its own willful way, you may experience God’s version of “recalculating, recalculating, recalculating!” generally looks like difficult consequences, closed doors, unanswered prayers, missed blessings, and severe bumps and potholes in the road. Succumbing to enticing off-ramps to the world and the inviting right and left-hand turns that have nothing to do with your intended destination can land you up against dead ends, at junk yards, and in sinkholes and quicksand!

The human soul tries to navigate its way through unfamiliar areas by following or recalculating the pre-established wrong beliefs, erroneous rationalizations, and stubborn soulish determinations of its SPS (Soulish Positioning System). The intention of this book is to put you in touch with your spiritual GPS and bring you past four major areas of your life that your SPS will flail around and flounder in every time:

- The World’s Dead End or His Highway to Heaven?
- Relationship Quicksand
- Potholes of Soul Power and Soulish Prayers
- Sinkholes in Soulish and Spiritual Warfare

None of us know how much longer we might have to keep indulging our various stages of denial and confusion about whether or not it is well with our souls. Your salvation experience gave you a brand new, born-again spirit. That same experience, however, did not mean that God would translate your human soul into a state of unity with your born-again spirit. You and I still have to make a choice to surrender our minds, wills, and emotions into the perfected condition spoken of in Daniel 12:3 (*Amplified*):
Here are a few thoughts

Potholes of Soul Power and Soulish Prayers

Relationship Quicksand

The shine and glow as we put others on the right path to life. And those who put others on the right path to life will glow like stars forever.

So, brothers and sisters, let us choose wisely and well to align every part of our being with the will of God. Let us get (loose) all of the soulish and natural electronic chatter out of our minds, wills, and emotions and connect with our spiritual GPS. How great is it to be able to head in the right direction at the right time all the time with God? It is possible. As we activate and cooperate with His GPS, then we will be able to shine and glow as we put others on the right path to life.

Here is the new Table of Contents from GPS for the Soul:

- The World’s Dead End or His Highway to Heaven?
- Relationship Quicksand
- Potholes of Soul Power and Soulish Prayers
- Watch Out for the Sinkholes in Your Soulish and Spiritual Warfare

| Question: Is there a time line to follow or to expect when pulling down strongholds? |
| Answer: No, because each person brings such a different mixture of past experiences, unhealed memories, unresolved issues, unmet needs, deception, and denial into the equation of their stronghold thinking and soulish defenses. It is sort of like trying to travel with diesel, unleaded gas, butane, propane, and Kool-Aid all together in your fuel tank. You never know which one is going to kick in at what time. |

How you are applying the binding and loosing prayer principles in your prayer life is another factor. Memorizing all the inspirational truth in the world is useless unless you act upon it. Praying binding and loosing prayers are your application of the truth of the Keys of the Kingdom principles of Matthew 16:19. Your faith will expand as you walk in the understanding of the answers of your prayers—understanding that requires you to act upon the truths you discover and the deceptions you uncover.

Some people tell me they faithfully read the prayers every day. That is better than completely ignoring the principles, but the binding and loosing prayers should be prayed as if you were speaking God’s Word right to Him. They should be prayed purely without personal agendas and personal opinions, with attention to and focus upon every word you speak to Him. This kind of focused prayer will be strongly resisted by your soul as it realizes things it has held dear and deceptions it has embraced are being seriously challenged. So when your soul starts hacking and coughing, kicking up the dust, and belching exhaust fumes, you can know that you have the upper hand and it is time to press in with your prayers even harder.

| Question: I started using your binding and loosing principles about seven months ago and although I do believe that they have worked miracles in my husband’s life, I have not found any answers for my own outbursts of anger, insecurity, impatience, etc. Everything that you have written in your book seems to be pointing to my soul. I pray and break my strongholds in general every day, but these negative emotions will not go away. They are now causing havoc in my life. There was a time when the choices I made did not include God’s plans, and it caused a lot of pain for a lot of people. I have repented for these wrong choices, but I am wondering if this still has an influence over my life. Could this be the reason for such terrible struggles as I try to get closer to God? Or could it be that I am just not breaking down the right strongholds? |
| Answer: The anger you are feeling has probably been in your soul for a very long time. If it is trying to surface, let it come out (within reason). In other words, don’t blow up any empty buildings or take a golf club to someone’s car windshield. As you pray these prayers for yourself, pray

Here are a few thoughts from the book:
constantly for God’s grace and mercy to be upon you and those around you. God has allowed you to loosen enough of your stronghold thinking and self-protection devices so that your soul can no longer control the force of its buried anger. While it might not seem to be so, this is a good thing!

Pray intensely with the binding and loosing prayers, particularly with regard to tearing off the layers your soul has used to try to hide the anger within itself. These layers include your stronghold thinking of rationalizing and justifying your soul’s façade of self-reliance meant to convince you and others that you really are who you wish you were. These layers also include self-defensiveness, self-focus, and your soul’s attempts to control others around you.

Pray any of the prayers in the Keys of the Kingdom Trilogy books that you can make time for; just change the names and pronouns in the prayers to make them applicable to you. While it is all right to change the pronouns and names, do not let your soul deceive you into changing anything else in these prayers at this time. You need to launch a sustained attack on your soul’s defense systems right now with tried and true prayer principles. There will come a time when you will feel safe and free to pray your own version of the prayers.

Particularly pray the Breaking Soul Power prayer in Breaking the Power (the second book of the Trilogy). People who have consistently prayed this prayer for at least 30 days have seen a fairly intense powering down of their souls. Some have also reported a common phenomenon that the soulish output of other angry and irritated souls no longer seemed able to cause a matching resonance in their souls. I’ve also experienced this. I wish this had been working in my life in so many past experiences I’ve have had when I picked up on group attitudes or crowd mentalities!

Don’t give up. Don’t get discouraged. Get divinely intimate with God! He wants you to tear down the defense systems you have allowed your soul to put up and voluntarily make yourself vulnerable to His healing power. That is how you get intimate with God.

**Strongholds for about eight years. I learned they are strongholds after reading all three of your books last week. I am loosing a lot of things and have seen noticeable changes in my relationships. But still my major symptoms (fleshly pleasure—mostly food) stemming from some unhealed hurts are so strong. Do I need some high powered loosing now to be totally bound to Christ’s purpose for my life? What do you suggest? Is it a matter of binding something I haven’t yet bound (or loosed), or being more persistent?**

**Answer:** The unsurrendered soul tells the body that there are physical behaviors that will help to ease the soul’s feelings of neediness, pain, and doubt. This can be manifested in eating disorders, chemical dependence, inappropriate sexual acting out, getting into wrong relationships, and so many other things the mind instructs the body to do. The mind sends out directives or impulses to the body to enact a behavior that has previously calmed the soul’s distress. The binding and loosing prayers can disrupt those directives!

Try praying this way for a few weeks: Bind your mind to the mind of Christ. Then loose the wrong cues, directives, and signals your brain is sending to your body whenever you are feeling anxious or emotionally overwhelmed. Loose all wrong mind-body agreements your soul is trying to launch! Then begin declaring Scriptures aloud to fill your soul with God’s peace and grace and new pathways!

This is all a matter of getting rid of excess baggage and toxic waste and receiving new patterns of thinking and beliefs and truth from His Word. Jesus had a great plan when He left us the Keys of the Kingdom to help us have a great spiritual journey!

My publisher is working hard on a new cover design, on the printing schedule, and on marketing plans to get this new book, GPS for the Soul, out before Christmas.

**Another NEW Book WILL BE OUT by November 15; 2010!**

**BINDING AND LOOSING FOR BEGINNERS**

Now that I am getting more and more voice mail questions and calling the people back, I am getting so many questions about how people should get started, what should they pray first, why does such and such a page say this, what book should they give to people who don’t know anything about the message and so on. I am very aware that people can read and reread the same information over and over and if they are not actively cleaning out their souls’ power tactics and control issues, their souls can tweak what they have just read into alignment with a soulish belief instead of what was originally intended.

After spending an hour this morning on the phone with a dear man who was struggling with not understanding the big
picture of binding and loosing, he told me that he was most concerned about not understanding the seven inner influences of the soul. My brain said, “Huh?”

In all honesty, I had to think hard and fast about where he had read that in *Shattering Your Strongholds*. But this is a common factor with new readers; something in one of my books concerns them and they forget all about the here’s-how-you-do-it instructions saying all they have to do is begin to pray the prayers. Then God will start answering their questions and increasing their understanding of His guidance and direction. I know that this is common to others, too, because this is such a new message for many who get overwhelmed trying to take it all in at one time.

I heard Oprah once say, “I had an AHA moment.”

I call them “WELL, DUH!” moments.

I am now writing a small fat book called *Binding and Loosing for Beginners*. This is book for the new reader of the message and a perfect book to give to your friends or family members that you don’t want to overwhelm or bury with soul power, soul ties, territorial spirits, family dynamics, toxic waste, unmet needs, unresolved issues, layers, wrong relationships and all the rest. You just want them to learn about praying these prayers and what a wonderful beginning they can give any Christian! They can get to the rest later!

So, I am writing (using all my previous books as inspiration) a fat little book (you gotta’ love fat little books!) of the most simple but important parts of this message and producing it through LSS Publishing (just like I did the *Binding and Loosing Prayer Manual*). Please pray for me because I do want it finished before November 15th in time for Christmas giving. Watch for the November/December 2010 newsletter that will share many “bundle” offers of the new book and the other products—all in time for Christmas.

**Phase SIX International Intercessors**

Here’s a SHOUT OUT!!! to all 65 of the wonderful, wonderful LSM International Intercessors around the world who are so faithful in their prayers every Monday through Friday for the following subjects. We invite you to pray with us whenever you can:

**MONDAY:** Pray for government leaders, military leaders, all troops, academic leaders, economic leaders, spiritual leaders, and anyone else who is in a position to influence other peoples’ lives. Also pray for leaders of families. Bind these leaders to the will of God, bind their minds to the mind of Christ, and loose wrong counsel, stronghold thinking, and the works of the enemy from them.

**TUESDAY:** Pray for Israel and its people’s safety and spiritual understanding. Pray for protection and mercy for those caught in the conflict in the Mid East. Pray for help and favor and protection of those in the Mid East who are born-again believers. Pray for the young people in Israel, and pray for the peace of Jerusalem. Please pray for the Body of Christ throughout the world to be awake and stand in vigilance and attentiveness to the Holy Spirit during this time. Pray against any release of strategies from the enemy for violence and evil. Pray for miracles of illumination amongst Muslims—that they will seek His Truth, find it, and be set free.

**WEDNESDAY:** Pray for direction and guidance and deeper understanding of the ROLE of each believer as an End Times Messenger. Pray for grace, mercy, forgiveness, and reconciliation between all members of the body of Christ. Pray for God’s people to focus on those who do not know Jesus. Pray for End-Times Messengers to spiritually prepare.

**THURSDAY:** Pray for all the unsaved and backslidden around the world; pray for laborers for the final harvest. Pray for God’s mercy and encouragement, homes, food, and jobs for those who are without. Pray for God’s mercy for those who have recently lost a loved one. PRAY FOR THE CHILDREN AROUND THE WORLD!

**FRIDAY:** Please continue to pray for each Intercessor to seek the Lord’s will, calling, and destiny direction in the days ahead. We are in a season now where it is no longer important if someone has offended you, if someone cut in front of you on the freeway, or if someone is bothering you at your job. There is no time to nurse our personal agendas and personal grievances any longer. Please pray for each other that we will give up that which only concerns us and we will all see outside of our own “boxes.”

Psalm 138:8 speaks of David declaring that God will perfect and perform all that concerns us: our families, our homes, our jobs and businesses, our health, our cars, and our pets. Pray that for each other.

**EVERYONE** - YOU are part of something much, much bigger than yourself as you pray together with the 65 registered PHASE SIX Intercessors around the world who are focused in prayer on the same issues each day of the week.

**Questions and Answers**

**Question:** I do not see any reason to want to keep living. Life is too difficult. I am a total loser and I am very tired. Lana

**Answer:** Lana, life is very much worth living when you get out from under the toxic waste and control tactics of your unsurrendered soul! Freed of that bondage and baggage, you
will begin to realize that you have every right to hope for all that God wants you to have which includes joy and peace and complete freedom. I’m not going to just tell you that you need to get free; I’m also going to tell you exactly how to get free.

Regardless of the pain and fear that keeps getting harder for your unsurrendered soul to hide and bury, it has stubbornly kept resisting God’s attempts to help and heal it. The unsurrendered soul will fight all attempts to warn it that there are due dates when various parts of its internal burial sites are going to become dangerously toxic.

Our unsurrendered souls rarely plan ahead; instead they keep recycling their past grudges and oldest fears and bad memories while searching for instant, even if temporary, present day fixes for their distress. Instant and temporary fixes will never heal you or protect you from the mental and emotional waste that is getting more and more toxic in your soul.

Depression and a desire to end your life is an inevitable outcome of your wounded soul’s refusal to accept that it cannot fix what is hurting you the most. God can, and He’s just waiting for you to begin taking down your soul’s defense mechanisms and invite Him into your life so He can. Binding and loosing prayers will start that dismantling process, invade the darkened corners of your mind, and bring in light. This is how you begin cooperating with God’s help and comfort.

You don’t have to go to Bible school, attend church eight hours a day, and pray all day (none of which would hurt you, by the way!) to cooperate with God as He begins healing you and making you whole. Such great and lofty goals are not necessary to start God’s healing process in your life. So don’t listen to your soul or the enemy trying to tell you that cooperating with and opening up to God’s healing and becoming whole is just all too much and you cannot do it. I know you can and God knows you can! Your pain is being caused by the fact that your soul knows you can, too!

Liberty: We have recently adopted our four-year old grandson. His behavior has gradually deteriorated to the point of being unmanageable. He is destroying our marriage and our lives. Both of his parents have had their parental rights severed as they have deep problems in their own lives. The child was taken from his home at ten months and was in foster care until age two, when we brought him home. He is strong willed and very defiant. If he is this way at four, we don’t know if we can continue with him in our home.

David Copeland gave us your name and e-mail in the hope you could help us pray this through. There is no doubt this is a spiritual matter. There may also be damage from drug use (meth) while he was in utero. Can you help us, please?

Dan and Dona: I have prayed for all of you today. I’ve attached an excerpt from my latest book on binding and loosing prayers which I thought might give you some insight into the power of a severely damaged soul. Any of the passages in this excerpt can be prayed for any child by changing the personal pronouns to his or her name. It is a powerful thing to speak of an individual, or this child, by his name when you pray.

Father, we come to you to present this little child who has had so many strikes against him in the natural world and possibly even the spiritual world. We bind (__________) to your will and purposes for his life. We bind his mind to the mind of Christ so that Christ’s thoughts can begin to soften the rigidity of his thought structures. We bind his wounded and damaged emotions to the healing balance and comfort of the Holy Spirit.

We loose from him the effects and influences of wrong agreements spoken about him. We loose any generational, cultural, or racial bondage agreements from him. He was born into this world with only your love to protect him from all this and we want to be in agreement with you and your plans and your love for him. We want to agree with you, Jesus, that the influences of all wrong agreements and generational bondage thinking are being broken off him.

We bind our wills to your wills and loose our own thoughts of desperation. We bind our minds to the mind of Christ. Lord, we realize that you may have placed this child with us to keep him from being thrown in a system of worldly influence. Help us to help him, as he may have no one else on earth to help him in the natural realm. We loose the works of the enemy from him (1 John 3:8). Jesus came to this earth to loose and destroy the works of the enemy, and we now come into agreement with Him and do the same for our grandson.

We ask for your grace and mercy to pour over (__________)’s mind, his will, and his emotions. We ask for your love to heal wounds that we don’t even know exist. We loose wrong diagnoses from him, diagnoses that might be correct in the natural but that have no correlation to what you want for him in the spiritual. Again, we ask for strength and encouragement for all of us and for your grace upon all of us.

I prayed for you all, God bless! Liberty

Testimonies

Liberty: Although I haven’t been in touch recently, I have been following your advice about reading the Word of God and praying the binding and loosing prayers as often as possible. There is a lot of change in my life and for once, I can feel and see the presence of God. For example, I am no
longer under medication due to depression. I prayed and trusted God and I feel much better. Another example is that I prayed for financial provision and though I still do not have a job, I have stopped worrying and am more relaxed and trusting God for His provision. These are just two examples of results and answers received after praying the binding and loosing prayers. There are other examples such as revealing of soul ties and breaking them, changes in some family members, etc. I praise God and thank you for presenting these keys to me and my family.

I sent your Binding and Loosing Prayer Manual to my family in Kenya. My mother, my step father and sister were eager to have it and they told me to ask you to continue praying for the family so that God may intervene and bring meaningful changes. They told me to thank you on their behalf. My stepfather and I are back on speaking terms. God intervened because for the first time in ten years, I manage to speak to him with love and forgiveness.

I will make another Life Coaching phone appointment with you in September. Regards and best wishes, Sister Liberty, Betsy in France

May I take this opportunity to thank God for using you. I am truly blessed and changed with the binding and loosing prayers and the way you have discussed them in your books and digital videos teachings. I am glad that God has given me the keys to change me. I should give my testimony, right? I will. Thank you very much from the depths of my heart. I have learned so much. I do not feel condemned anymore. Hope to hear from you. Take care and God bless you.

Love and regards, H., from Dubai, United Arab Emirates

Hi Liberty. I called my parents on Saturday and talked to them...well, I talked to my mom, because my dad is not much of a talker, although I did say hi to him. I’m wanting to wait on the coaching session since the “problem” with my parents doesn’t seem to be an issue anymore. I’ve been using the binding/loosing prayers and I can tell a difference in how I look at my parents. Probably someone needs the time with you more than me. Thanks for being willing to talk with me.

Liberty: Thank you! Our Father has been dealing with me to heal more, and to tighten up my boot straps. Giftings in areas that have been dormant for quite some time are beginning to come to life again. I’m responding to God again! With the study of your teachings, I’m going to be better prepared this time around. I desire to be made into that more mature vessel He’s been calling me to become in His name; deep is calling to deep. God bless you Liberty for your diligence in having sought Him with your whole heart to deliver Keys of His Kingdom as revealed to you in His Word for the whole body of Christ to be equipped for victory. You are truly a most precious gift in Him. I’ve been praying for your strength as you’ve requested in your newsletter. Linda

I just wanted to give two praise reports that came from binding/loosing prayers. One prayer request was from a woman in Russia whose four friends failed their exams for a particular study and they were in danger of being expelled unless the dean allowed them to take them over. I prayed the prayer/binding prayer for them, and the woman who requested prayer wrote back so excited...the dean allowed them to redo the exams and she said this was a real miracle!

The other testimony is about a woman who posted a prayer request for her mom who has mental illness and was planning on confronting a man who she believes talks about her all the time. I prayed a binding/loosing prayer for the mom, and the woman posted a praise report saying her mom did see the man, but decided not to say anything to him. She was so excited, and so am I!!! Thomas

Hi Liberty, Thanks for the email and thanks for your prayers and for your ministry! I have read Shattering Your Strongholds and it was life changing for me. I need to get back into reading and praying more as I find that I go through seasons of being somewhat distant and it’s not because I don’t believe, it has more to do with how I view myself and my thought life.

Please pray for me as I do love God, but sometimes I feel so distant. Thanks Liberty!! My husband gave his heart to the Lord about 8 years ago!! It was a miracle and I would definitely say that it was due to praying those prayers for him from your book!! Hallelujah!! Thanks for your prayers, Janice

Janice: Actually, it has a lot to do with how your soul wants you to view yourself. Don’t listen to its deception and denial! Get back in the Word and start praying the prayers regularly again!

LibertySavardLifeCoaching.com
What a Blessing to the Life Coach!

I now have some appointment times opening up again for a few complimentary 15-minute Life Coaching sessions. E-mail me at liberty@libertysavard.com to schedule.

Working with people nearly every day and sharing the Keys of the Kingdom principles with them and praying with them is a great blessing. As I tell my clients, counseling tends to find the reasons in the past for being broken and then help fix them. I don’t do that. Mentoring is when someone with more age and experience is willing to share that with someone who needs guidance and direction. I often slip into this role (after all, if I haven’t learned something by the age of 69 after
being a Christian since 1971 or 1972, I’d better just get a rocking chair and some knitting needles and wait for Jesus to come back!).

Christian Life Coaching relies upon God showing the Life Coach what the person’s skills, strengths, and abilities are, as well as their spiritual state. Life Coaching also seeks to guide clients into understanding how God wants to help them with His power and anointing, and then encouraging them to use His strengths and theirs to move forward with His help.

There are times when I need all my prayer skills and spiritual headphones to know when to whistle them in off the field for an encouraging pat on the shoulder or a hug, and when to tell them to knock it off and take an additional 20 laps.

I have felt that God has used all of my ministry experience over the last 25 years and my Questions and Answers internet ministry over the last couple of decades to help me see the strengths and the potential of the those He brings to me. It is so exciting to hear back from them of new things happening in their lives and new understanding that they have received from God.

I do have to watch myself (sometimes I do better at that than others) when I want to Life Coach some who haven’t asked me to Life Coach them. And then there are those who do ask for my help and when I give it in truth and love, they get very upset with me. That’s when they become one of my prime prayer targets for several days. In fact, I spiritually try to paint a bull’s eye on them for God’s angels and arrows of love and understanding!

And that’s how the life of a Christian Life Coach can go!

God has promised in 2 Chronicles 7:14 (NKJV), “If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.”

This speaks of the power of our prayers for our nations and those in them if we will humble ourselves, stop following our own wills and our own agendas, and pray with all the focus and determination that we can for what is right.

**What might be considered one of our wicked ways as spoken of here? That we have not cried out for the children of the world everywhere, every day!**

Please join with me and others in praying for the children of the world who desperately need us to agree that God’s will shall intervene in their lives and quickly. Here is a sample prayer to pray:

Lord, I come to your with pain in my heart asking that you forgive me for not daily remembering and praying for those who cannot help themselves. I bind every child in the world to your will, I bind their minds to your mind, Jesus, and I bind their wounded and ragged emotions to the healing balance and comfort of the Holy Spirit. Please speak words of encouragement and hope to them. Please send help to rescue them quickly.

I loose the enemy’s influence from all adults who are using and abusing so many children in the world today. I loose, smash, crush, and destroy the enemy’s works that are coming against these children. You have said if we would humble ourselves, pray, seek your face, turn from our wicked ways, that you would heal our land. Please show us what we need to do to work with you to see our lands and the children in them become safe and healed and filled with hope. Thank you, Father God. Amen

**SPECIAL EMERGENCY PRAYER FOCUS!!!**

I’ve been completely overwhelmed this past week with pain and sorrow for the children of the world who are being physically, emotionally, and sexually abused. I have been praying for these unknown children several times a day—especially those who have been forced into the child sex slave industry in countries around the world—including the USA!

Speaking Engagements

October speaking engagement in Ontario California has been cancelled.
Who and What is LIBERTY SAVARD MINISTRIES?
Reverend Liberty S. Savard, President of Liberty Savard Ministries, Inc. (a non-profit corporation), was born again in 1972. She is an ordained minister with credentials from the Evangelical Church Alliance (P.O. Box 9, Bradley, Illinois 60915). Rev. Savard has served as a singles director, associate pastor, speaker, and Bible teacher. She is the author of Shattering Your Strongholds (1993 Bridge-Logos Pub.), Breaking the Power (1997 Bridge-Logos Pub.), Producing the Promise (1999 Bridge-Logos Pub.), and several mini-books and workbooks. With The Unsurrendered Soul (2002 Bridge-Logos Pub.), Apples of Gold in Baskets of Silver (2003 Bridge-Logos Pub.), and BEYOND Shattered Strongholds (Bridge-Logos Pub.) and The Binding and Loosing Prayer Manual (LSS Publishing 2009) she now has 15 books in print around the world.

This ministry believes the Scriptures are inspired of God, infallible, and fully authoritative for Christian faith and conduct. Jesus Christ, the Son of God, was born of a virgin, lived a sinless life on Earth, died on the cross in a substitutionary work of redemption for mankind, rose again and now sits at the right hand of the Father. Through Christ’s shed blood and renewal of the Holy Ghost, justified by grace through faith, man becomes an heir of God with absolute hope of eternal life.

This ministry teaches Christians how to cause their unsurrendered souls (old natures) to surrender to the will and purposes of God. LSM also teaches Christians how to loose emotional baggage from their souls to create room within themselves to receive all God has promised to them for today. This allows believers to fulfill their destinies while walking in knowledge and power to bring glory and honor to God the Father! This ministry also teaches God’s people how to pray with the Keys of the Kingdom (Matthew 16:19) to impact things on earth so they come into alignment with God’s already established will in heaven. This ministry is also dedicated to training Christians how to pray purely without “want lists” and soulish instruction manuals for God (so He will know how best to answer their prayers!). Effective prayers with pure motives declare that God’s will shall be done on Earth as He has so set it in heaven.
